

How to effectively schedule **CONSULTATION**

Consultation - a meeting with an expert or professional, such as a medical doctor, to seek advice.

Example of consultations:

1. Implant Consult
2. Endo Consult
3. Ortho Consult
4. Oral Surgery Consult
5. Complex Case Consult
6. 2nd opinion

What's Included in a Consultation Visit?

1. CDA code **D9310**
2. Conversation with doctor

What's NOT included?

1. Radiographs & Imaging

Our promise is NO OUT-OF-POCKET EXPENSE

CASH Patient:

- During the appointment the doctor will have a conversation with the patient and conduct an intra-oral exam.
- If imaging is necessary to diagnose, we need to explain to the patient the need for imaging and the additional charges related to it.

Two possible charges:

1. Panoramic & Full Mouth series (\$89.95)
2. CBCT: D0364 (\$89.00)

PPO Patient:

- During the appointment the doctor will have a conversation with the patient and conduct an intra-oral exam.
- In addition, the front desk is responsible for verifying eligibility and tagging appointments to **maximize claim value.**

Possible charges: (Frequency dependent)

1. D0150 or D0140 or D9310
2. D0220 or D0330 or D0274
3. D0367 (CBCT Scan)
