*Supply budget will be provided at the beginning of each month. The supply budget is an aggregate of ALL the supplies we want to order. At the end of each supply cycle, the office is to email Ori a scanned copy of the supply list sheet with the budget breakdown attached below. This will be used to reconcile the spending.

Total Supplies Budget (\$)	\$	4,000.00
Dental City	\$	2,700.00
JerseyDental	\$	1,000.00
EdgeEndo	\$	300.00

Example: If the supply budget is \$4,000, you may order \$300 from Edge Endo, \$1,000 from Jersey Dental, and \$2,700 for Dental City. You must manage the budget accordingly.
